

Research Team X. Molecular and biochemical methods for study mechanisms of civilization diseases

	Name	Surname	Academic degree	Unit
1.	Klaudia	Antoniak	M.Sc.	Division of Immunobiology and Environmental Microbiology
2.	Zofia	Barcikowska	M.Sc.	Division of Immunobiology and Environmental Microbiology
3.	Sylwia	Bartoszewska	Dr. Habil.	Department of Inorganic Chemistry
4.	Beata	Biernat	Dr. Habil.	Department of Tropical Parasitology
5.	Marika	Frańczak	M.Sc.	Department of Biochemistry
6.	Magdalena	Gebert	M.Sc.	Department of Biology and Pharmaceutical Botany
7.	Magdalena	Gregorczyk	M.Sc.	Department of Biochemistry and Clinical Physiology
8.	Maciej	Grzybek	Dr. Habil., Associate Professor	Department of Tropical Parasitology
9.	Magdalena Emilia	Grzybowska	Dr. Habil.	Department of Gynaecology, Oncologic Gynaecology and

				Gynaecological Endocrinology
10.	Rita	Hansdorfer- Korzon	Dr. Habil.	Division of Physical Therapy
11.	Gabriela	Harasim	M.Sc.	Department of Biochemistry
12.	Areta	Hebanowska	Ph.D.	Department of Biochemistry
13.	Marta	Jaskulak	M.Sc., Eng.	Division of Immunobiology and Environmental Microbiology
14.	Maciej	Jaśkiewicz	Ph.D.	Department of Biology and Pharmaceutical Botany
15.	Agata	Jędrzejewska	M.Sc.	Department of Biochemistry
16.	Patrycja	Koszałka	Dr. Habil.	Department of Cell Biology and Immunology
17.	Marek	Koziński	Prof. Dr. Habil.	Division of Cardiology and Internal Diseases
18.	Oliwia	Król	M.Sc.	Department of Biochemistry
19.	Jarosław	Króliczewski	Dr. Habil.	Department of Biology and Pharmaceutical Botany

20.	Monika	Kurpas	Ph.D.	Division of Immunobiology and Environmental Microbiology
21.	Anna	Lass	Dr. Habil.	Department of Tropical Parasitology
22.	Marzena	Ławrynowicz	M.D.	Division of Cardiology and Internal Diseases
23.	Sylvia	Małgorzewicz	Prof. Dr. Habil.	Division of Clinical Nutrition and Dietetics
24.	Ewa	Stelmańska	Dr. Habil.	Department of Biochemistry
25.	Jacek	Teodorczyk	Ph.D.	Division of Nuclear Medicine
26.	Marta	Tomczyk	Ph.D.	Department of Biochemistry
27.	Bartosz	Wilczyński	M.Sc.	Division of Immunobiology and Environmental Microbiology

Feel free to contact one of our coordinators to join our Research Team.
